although Brønnøysund is a small town, we have many pretty tourist attractions. This building is the tourist information house, if you ever come to brønnøysund you can go her and get help on what to see when in brønnøysund. We have listed up some places we could recommend you see, if you ever visit brønnøysund.

Torghatten, one of the landmarks brønnøysund is most known for. we also just got a new (sherpatrap), which makes very accessible. A must visit

The Brønnøysund bridge, one of the big structures in brønnøysund.

Brønnøysund church, one of brønnøysund oldest building.
It's a very popular attraction among the tourist that come to brønnøysund.

Svarthoppen, a lake close to the center of the town. A great place to hang out in the summer.

toft – farming fish

Hildurs – a must visit restaurant, where you also can sleep.

Dragereiret, is located behind Hildurs, a nature path up to the dragon's nest.

VEGA

Island outside of brønnøysund

Stairs that has 2400 steps

Unescos world heritage list

Has 6500 other island and islets

Some of are fellow students are from this island

Vega is an island outside of brønnøysund. On vega we have many tourist attractions. We for example have a stair bysides the mountains that has 2400 steps. And vega is on the list of world heritage.

CONCLUSION

We like it here

Small and safe

We know almost everyone

So to conclude we like it here, because it is a small and safe. So since it is so small it is pretty cozy because we all know almost everyone, that makes it feel more saafe here.
