Nordplus

The municipality of Vaala

Vaala is a municipality located in the Northern part of Finland

The population of Vaala is small, around 2500 people
beautiful nature and peaceful place

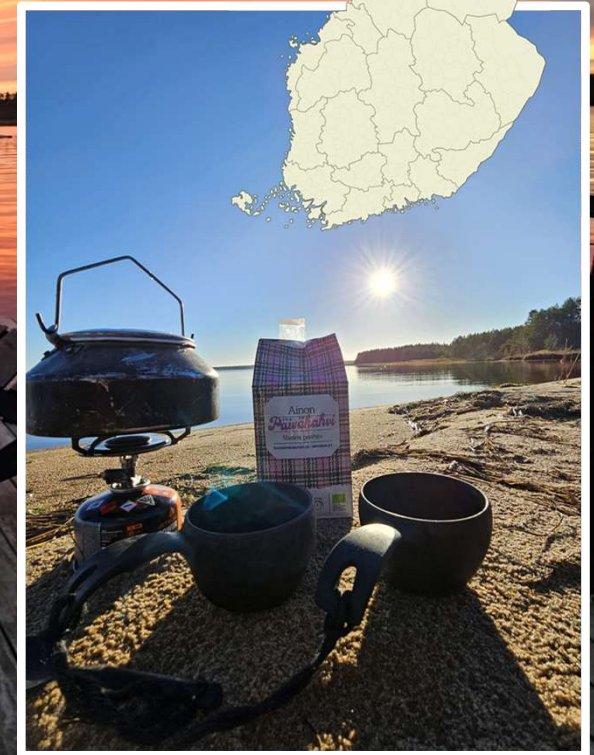

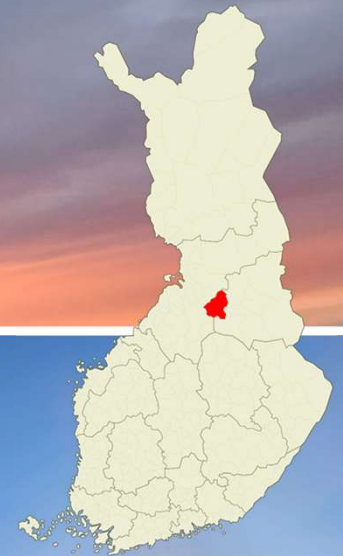

our municipality manager is Minna Kärkkäinen

Vaala is a very safe place to grow up

Vaala has a lot of cattle farms and agriculture is an important industry in Vaala

Vaala has two hydro plants in Jylhämä and Nuojua and many wind power plants

Vaala upper secondary school

- Vaala upper secondary school was founded in 1961
- in the 2024-2025 school year there are 37 students
- tiny and nice
- studying is free for all
- we have free lunch
- our students organize fun events for example Halloween-theme day and Valentines day
- every year we have a Christmas party and it's the highlight of the whole year
